

24. What salary would you expect for this position?

(Jakie ma Pan/ Pani oczekiwania finansowe w stosunku do tego stanowiska?)

I think that the salary I made in my last position didn't compensate me for my commitment and effort. Based on your job description, my experience and skills I hope you will consider offering a salary at the high end of your pay range. I was wondering if you could give me some indication of your range.

25. Do you have any questions concerning this position? (Czy ma Pan / Pani jakiegokolwiek pytania dotyczące tego stanowiska?)

- What is the company's management style?
- Who will I report to?
- How long do people usually stay in this company?
- What is the main thing this company expects from its staff?
- How many people work in this department or office?
- Is there any induction training?
- Is there any special training or course required before I start working for you?
- What is the biggest challenge someone in this position faces on a daily basis?
- How soon would you like me to start working for your company?
- Are there any promotion prospects?
- Will I have a chance to travel a lot in Poland and abroad?
- Is relocation a possibility?
- Is it possible to use English in your company?
- Who held this position before? Why is he or she leaving this role?
- How do you evaluate success in this company?
- What distinguishes this company from its competitors?
- What soft skills would serve your company best?
- Is there anyone else I need to meet with?
- Do I need to send you any additional documents?
- Would you like a list of references?
- What's the timeline for making a decision and when can I expect to hear back from you?
